

***This Sunday @
Unity of Brazosport***

**Meeting at the Brazoria Public Library Building,
620 S. Brook [Hiway 36],
with services to begin @ 11 AM.**

Join us this week as Co-Director of the Houston A.R.E. Center, Ed Jamail speaks on the topic of

**“Alternate Universes & The Heavens” –
How to attain the goal.**

In a context presuming the admittedly sometimes ill-defined Judeo-Christian Lifelong Goal - We want to “Get to Heaven”... ..How do we get there? or Is there more than one “heaven”? Can we reach a level of Christ Consciousness wherein we perceive we are in a setting and circumstances that are “Heavenly”... Or – have we misunderstood our purpose on Earth? Ed is likely to inspire you to THINK (!) and, as always, is open to your questions.

**Across the street from our regular venue -
Please use the South Entrance (AKA Back
door) to the Library. ALL are welcome!**
